Morning Star Child Reach Ministries News Bulletin

March 14th, 2009

2009 SCHOOL YEAR HAS BEGUN Strong Tower Christian School is off to a very encouraging start. The Lord brought together a excellent teaching staff! In 2007 we began with 12 students, finished the year with 10 in a single kinder garten classroom. In 2008 we had 3 kinder garten classrooms, began the year with 33 students and ended with 32. This year we added 1st grade and have begun with 78 students. This means there will be over 100 parents present at our monthly parent meetings where we can share the gospel with them along with helpful instructions to improve their family life.

We look forward to interacting with each family and anticipate the Lord opening doors and providing opportunities to share His love and reach them for His kingdom. We thank you for your prayers and remind you that there is a scholarship program in place for anyone who wishes to sponsor a student at Strong Tower. For details you can go to:

We continue to request your prayers for new house parents for Morningstar Children's Home! We have temporary staffing in place but are very much in need of stabilizing the situation for the children there with more permanent house parents to tend to their needs.

Thank you so much for your prayers, interest and support.
