

Rising Star

News of some of the Lord's work in Northern Peru

As previously mentioned, the school year started at Strong Tower Christian School on March 9th. Nina Motta, the new principal, was faced with many challenges as several

teachers chose not to return and there were many complications in government agencies that entangled the school. Then in March another teacher left to move out of the area with her family. Presently Strong Tower is in urgent need of one elementary and two preschool teachers. These positions need to be filled before the possible opening of a high school can be seriously contemplated.

The little church in Pueblo Nuevo held a baptism the last week of March and Esgar and Milagros, siblings who live at Morningstar, were two of the three taking that important step of obedience through baptism. The following week Esgar stood in breaking of bread and chose a hymn, reading the first

verse aloud. It's wonderful to realize that these children came to Morningstar less than a year ago and at that time Esgar could not read at all. As the hymn Esgar chose says, "Oh magnify the precious Name of Jesus, Praise his Name!"

We are sincerely grateful for your prayers to help us seek and obey the

Lord's guidance.
