Morningstar Childreach Ministries News Bulletin

May 1st, 2013

April has been a whirl of activity, with Mark Dejager & family preparing to leave for 5 months. While at the Chiclayo airport preparing to board, their passports were stolen and the ensuing paperwork in Lima

delaying them for about a week but they have finally arrived safely in Canada and will be enjoying rest and fellowship with family and friends as well as fulfilling opportunities to minister during their travels.

We've been blessed with the arrival of Jeremiah Mofitt, and dynamic servant of the Lord who has stepped in to fill the need in Strong Towers kindergarten English program, a timely answer to prayer by the Master of the vineyard. Strong Tower received a supervisory visit by representatives of the Board of Education this week, pointing out that due to the results of the national student proficiency testing they are citing Strong Tower as an example to the other schools in the district due to it's academic ranking. We are thankful to the Lord that it can be a testimony to excellence that reflects well upon Him and the work He is doing in this community.

Audrey Dejager has been part of the ministry team here for several years and it is bittersweet to have to say "good-bye" for now as the Lord has brought her together with Murphy Stonehouse in a beautiful romance that glorifies Him. Murphy was able to come to Peru for a couple of weeks and they held a memorable reception for everyone here before their departure.

Thank you for your interest and support of the ministry here.
