THE LORD'S BLESSING

Psa 68:32 "Sing unto God, ye kingdoms of the earth; Oh sing praises unto the Lord; To him that rideth upon the heaven of heavens, which are of old; Lo, he uttereth his voice, a mighty voice."

We continue to praise Him for speaking to the hearts of many here in Pueblo Nuevo. Just last week another teenage boy, Marlon, who has been attending on and off for a year or so accepted the Lord as his Savior. We're also thankful that Jose and Perla, a young couple, parents of one of the students in our school who accepted the Lord few weeks ago in their home, have begun to attend meetings as well.

NEW HOUSE ALMOST DONE!!

Lord willing within a couple of weeks Jorge and Margarita and family, including the 4 children housed in the Morning Star Children's Home will move to the new house that is very near completion. Only screens, curtains and kitchen cabinets are required for it to be ready, after which we can finish up the painting on the second floor house and prepare that as well. Please pray the Lord will provide another couple to run the second house and allow us to expand our capacity for more children as we are once again having to turn some away for lack of space. Once the move is made the students of Strong Tower Christian School will have the use of the existing rooms that have until now served as the house for Morning Star. Thank you so much for keeping this ministry in your prayers.
