*News of some of the Lord's work in Northern Peru*

As we say goodbye to 2019 we are very thankful to the Lord for the progress made this year and the spiritual fruit He has blessed us with. Souls saved, believers baptized and both physical and spiritual growth in each of the children we've been able to serve.

After just 4 months with us little Yasuri was returned to her teenage mother's care. They live just a block away from Morning Star however so we can easily follow up on her and Sunday the 22<sup>nd</sup> her Mom brought her to the Sunday School Christmas program.

We were able to complete the renovations on the new kitchen/dining hall in plenty of time to host dinner on Christmas

Day for all the children as well as the staff and their spouses and a few special guests. We are now moving ahead with the addition of a bathroom to the old dining hall which will become a large bedroom that can house 6-8 children.

We appreciate your prayers on behalf of the Lord's work at Morning Star!
