News of some of the Lord's work in Northern Peru

Little Yasuri is a year and a half old. She is our most recent arrival. Born to a single teen Mom in a very dysfunctional family, she was being abused and neglected. Her own grandmother videotaped the abuse and took it to the District Attorney who immediately ordered her removal from the home. The investigation is still in the early stages and she has adapted quickly to Morning Star's warm & loving environment.

The last Sunday in September we had a baptism service. Laura is married to one of the young men who grew up in the church, Joel is a 16 year old who lives across the street, the only one in his family who has come up through our Sunday School and youth group and now brings several of his younger siblings along with him to all the services. Sibila, Monica & Maria Jose, the other three, are teen girls from Morning Star each of whom have come to know the Lord during their time here. Thank the Lord with us for each of them as they continue to grow in their knowledge and faith.

We appreciate your prayers on behalf of the Lord's work at Morning Star!
