News of some of the Lord's work in Northern Peru

A couple of weeks ago Strong Tower Christian School held its second "Achievement Day". It is a day the parents attend and students showcase the knowledge and skills they've learned. We continue to thank the Lord for the opportunities to interact with the families of our students and share the Gospel with them. This will happen several times more as the end of school approaches on December 16th and the ensuing end of the year activities.

Another event that the students look forward to at the end of the year is the 5th & 6th grade class trip. A kind of graduation prize, it is usually a three day retreat which this year was held at a retreat center at the nearby beach. It is at great time of fun activities and Bible Study, something the younger grades all look forward to when their time comes. We are already gearing up for the 2017 school year, changes in personnel, class schedules and course requirements, for all of which we request your prayers for wisdom and perseverance.

The employees of the Peruvian Judicial system are once again on strike so there is no advancement in any of the Morning Star cases.
