*News of some of the Lord's work in Northern Peru*

Summer in Pueblo Nuevo always includes a two week Daily Vacation Bible School. All the children from Morning Star take part and those old enough actually participate as workers helping manage the kids and doing the skits. About 100 kids come in from the surrounding community and it's an excellent opportunity to share the gospel with them as well as make contact with their parents.

Most of the work on the new bathroom has been completed and the furniture that will be needed has been ordered from the manufacturer. We are looking forward to having it ready by the middle of March and the new dorm will accommodate 6-8 new children.

Of course, there will be additional staffing needs as we increase the work load and adjust our schedules and requirements to meet the demand. We trust in the Lord's provision in all these areas and we very much appreciate your continued prayers for the Lord's work here in Peru!
