SO MUCH TO BE THANKFUL FOR

The Hiawassa Bible Chapel missions team is safely home again. With a minimal amount of physical discomfort, (only

about half experienced stomach disorders for a day or two), they plowed through two very ambitious projects.

The jungle gym you see at right, built from scratch, and the painting of part of the exterior wall.

The excess luggage they brought with them contained donated clothes for the children both at Star as well as the students of Strong Tower school.

The believers here were greatly encouraged and many hours of great fellowship were enjoyed despite the language barrier. A big smile and a hug gets the message across just fine.

Thanks for your prayers and we look forward to the next team!!!

By His grace alone,

Tom, Carol & the Morning Star Staff
