“Morning Star” Children’s Home News Bulletin

September 10th, 2007

Strong Tower School children during recess enjoy the new Jungle Gym. (Right)

(Left) As do Alexandra & Nicole.

(Below) Gracie does her own playing at home

Last week we had a couple from Ica come up to interview for a house parent position. Jorge & Margarita will be deciding next week whether they stay on in 2008, we are praying they will, but we’re also praying that another house can be built soon.

The activities at Strong Tower Christian School are encouraging, we continue to see a good attendance at “Parent’s School”, held once a month, where we can share with them educational techniques for use at home, parenting tips and most importantly, a clear presentation of the Gospel. The first week in October we are planning a “Spring Picnic” an all day family affair for all the students families. Once again, the priority is to get the Word into their hearts.

The assembly in Pueblo Nuevo begun having a Saturday afternoon sports program a few weeks ago, a sort of open house for anyone over 12 years of age. Several adults have been attending for the first time, and yesterday we added a brief gospel message at “half time”. Teresa, a 14 year old who has been attending Sunday School and some of the prayer meetings, after the message approached one of the women and told her she wanted to accept Christ as her Savior, which she did. Praise the Lord with us that He brings into His fold those He calls unto Himself.

**We can always use volunteers, no matter how long they’d like to stay, especially to help with teaching English both to the children in Strong Tower as well as Morning Star. Spanish is not required.....so please pass the word. Further information can be accessed at www.tclark.net
Thank you for your prayers and support.**

By His grace alone,

Tom, Carol & the Morning Star Staff
